Tel. +41 81 410 13 00 • info@ck-care.ch • www.ck-care.ch

The **Christine Kühne – Center for Allergy Research and Education (CK-CARE)** research consortium located at the Medicine Campus Davos, Switzerland is hiring a highly motivated

Biobank Technician (100%)

CK-CARE comprises five clinical and basic research facilities in Switzerland and Germany with the main focus on Allergology and Dermatology. The Medicine Campus Davos integrates medical care (with Hochgebirgsklinik Davos), translational and basic research in one place. Patients benefit from individually adapted rehabilitative care, acute diagnostics, prevention medicine and treatment of chronic inflammatory diseases.

We are looking for a highly motivated person to expand CK-CARE's translational research activities on the Medicine Campus Davos.

Your Profile

- Degree as BTA or MTA (laboratory technician)
- **Or** degree in Life Sciences (BSc or MSc) in Biology, Molecular Biology, Biochemistry, or a related discipline
- Experience in working with human samples under S2-laboratory conditions (incl. PBMC isolation and cell culture techniques)
- Familiar with ICH-GCP
- Familiar with molecular and cellular biology techniques (e.g. RNA/DNA isolation, qPCR, FACS, ELISA)
- Interested in learning and developing additional skills and methods
- Good knowledge of standard software packages (e.g. MS-Office)
- Responsible and outstanding organization skills
- Strong interpersonal skills and a great team player
- Languages: English, German is a plus

Job Description – in this role you are

- isolating and processing cells, serum, nucleic acids and other human sample material
- responsible for data entry and documentation
- dealing with sample logistics incl. shipments, inventory and sample distribution
- monitoring and documenting laboratory processes and equipment
- responsible for the organisation and ordering of biobank materials
- actively participating in the maintenance and expansion of the QM system
- conducting measurements as a service for members of the Medicine Campus Davos
- deputy of the Biobank Manager

Why join our team?

- You want to be part of the growing medical campus dedicated to front basic and translational research
- You value varied possibilities for personal and professional growth
- You value a competitive salary and social benefits
- We are happy to provide help with working permission and relocation procedures

Interested?

We look forward to receiving your application with a brief explanation why you are the ideal candidate for this position, your detailed curriculum vitae and the contact details of two to three references. Please submit your complete application as one single pdf file to info@ck-care.ch.

Questions regarding this position should be directed to Dr. Claudio Rhyner, CEO CK-CARE AG | phone: +41 81 410 13 00. Initial application deadline is April 30, 2024, but the call will remain open until the positions are filled. Candidates will be contacted by us on a rolling basis. The successful candidate can begin immediately or upon mutual agreement.
